Project Description: - We are making Amazon clone web application. It's a fully functional E-commerce site. That has following components.

Home Page

Checkout Page

User Authentication

Payment Page

Order History Page (Real Time Data Base)

FIGMA DIGRAMS

A diagram of a sign-in form on a black background. The form contains the following elements from top to bottom: the title 'Sign-in' in white; a 'Name' label with a light pink input field; an 'Email' label with a light pink input field; a 'Password' label with a light pink input field; a yellow 'Sign In' button; a line of text stating 'By Signing-in you agree to AMAZONE CLONE Conditions of User & Sales.'; and a light gray button labeled 'Create your Amazon Account'.
